

Join us as we hear from women leading top organizations around the country!

Theme for 2023:

Women Leaders in Business and Innovation

How women champion themselves as leaders in idea generation, innovation, and entrepreneurship and be future-ready in evolving work environments

Event Details:

-  **4 MARCH 2023**
-  **9AM - 4PM**
-  **YALE SOM, EVANS HALL**

About Fempire:

The Fempire Conference is a space created to address the pressing issues affecting women today.

Fempire is hosted by Women in Management (WIM). WIM is the largest affinity group at Yale School of Management created to support women personally and professionally and empower allies to be agents of change at school and beyond.
